Digital Schools Award	<p>Mrs R has signed up to the Digital Schools Award so we can get recognition for the work that we are doing in school with technology. The Pupil Parliament thought it was a good idea. The Digital Leaders will provide a key role in helping us achieve the award. Mrs R explained that we need to assess how we are doing and fill out the form before assessors will come out to see us.</p>									
AOB	<ul style="list-style-type: none"> • Kelly was asking about the school tie situation. Mrs R said she would get Mrs Smith to look up suppliers with examples then we would all need to have a vote on the style of tie. Although it would just be P7 wearing it everyone should get a vote as everyone will be in P7 at some point. • Imogen was asking about the students in school. Miss Glancy will be returning to Crudie after the Christmas holidays for a month and then there will be another student in P1-4 in February and then again in the summer term. • Isla wondered if pupils could put forward a choice for someone fulfilling one of the values. Everyone thought that was a good idea. It was decided to focus on one value a week. This week's value is Caring. Mrs R will make up a form or something that reasons can be jotted down on. • Richard wondered if a pupil list could be handed out for Christmas cards. Mrs Gallon passed that on to Mrs Smith. 									

	<ul style="list-style-type: none">• Mrs R said that Mr Moultrie was making up a video of the Christmas concert so we could sell it to generate money for school trips for the rest of the session. Pupils thought that £5 was a reasonable price.
